-- Start

You are late for your train.

You see a train leave what will you do.

A check if correct one \rightarrow route 1

B jump in \rightarrow route 2

[start A] Route 1

You choose to check first and find out that the train you just missed is in fact not the one you need. you get your phone out of your pocket and look what train you need. upon looking you see that your train has already left 5 minutes ago, the next train will come over 3 hours.

What will you do to pass the time?

- A sleep → route 1-S
- B stare at a wall → route 1-W
- C look around → route 1-L

[route 1 A] Route 1-S

You decide it is a good idea to sleep. However, where will you sleep?

- A the ground \rightarrow ?
- B a bench \rightarrow ?

[route 1 B] route 1-W

You see a wall and sit in front of it. You begin staring at it.

{continue staring} 5x | else → route 1

//Continue staring some flavour text

[route 1 C] route 1-L

You take a take a look around you and come to the realisation that it is just a boring ol' train station, however this new found realisation does not discourage you.

So you continue to look around.

Everything looks the same but also doesn't.

.

You continue to roam around aimlessly until you see a homeless man sleeping on a bench

What will you do?

- A fight him and take his bench \rightarrow route 1-L-F
- B leave him alone \rightarrow "you continue to walk and end up where you started" \rightarrow route 1
- C talk to him \rightarrow ?? schitzo shit or smart stuff

[route 1-L A] route 1-L-F

You decide that fighting him is a good idea and start to trash talk him. The homeless man becomes aggravated and gets up to fight you.

// pokemon style fight/ rpg style fight

// moves n shit

// based on how well it goes the story progresses

[start B] Route 2

You start sprinting and jump into the train just before the doors close.

You find a place to sit and take your time to catch your breath.

But then you realize.....

// user input

YOU ARE IN THE WRONG TRAIN!

Your heart sinks and you start to feel panicked.

A calm down

You calm yourself down.

What are you going to do?

A get out at the next stop

B see where the train ends up at

[route 2] route 2-G

You get off at the next stop.

You recognize nothing and have no clue where you are

[route 2] route 2-S
